

## h-frame stand

## free standing

Available with standard size frames from A0 to A3, in either landscape or portrait orientation.

Accurate 45° mitred corners are produced to exacting tolerances, ensuring a high quality finish.

The inside frame snaps open to allow the poster to be changed - no special tools are required.

High quality injection moulded closures and stainless steel fittings finish this high quality H-Frame stand.

The H-Frame is a double-sided stand, fitted with geneva Ad's double-sided poster snap frame.
