

lollypop stand

free standing

Available with standard size frames from A0 to A3, in any of the standard poster frame designs.

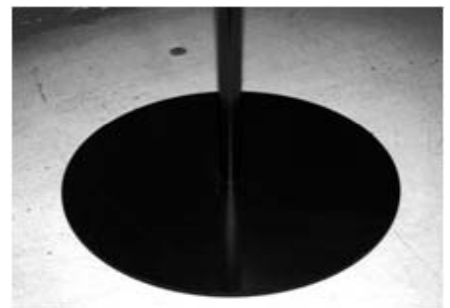

Accurate 45° mitred corners are produced to exacting tolerances, ensuring a high quality finish.

The inside frame snaps open to allow the poster to be changed - no special tools are required.

The frames are supported with a full-steel chassis which is powder coated and finished with moulded end caps

The round steel base, constructed from 8mm thick steel, ensures that the Lollypop stand is stable and safe.
