

moonlight - single-sided

Moonlights are slimline edge lit panels fitted with either low energy consumption LED lights or fluorescent TL5 lamps. Available in standard or custom sizes, Moonlights can be wall-mounted, free-standing or suspended from ceilings.

## illuminated displays

The poster is protected behind a clear magnetised cover and can only be changed with a suction cup (provided).

The clear magnetised cover is also fitted with positioning tabs to ensure perfect placement of the poster.
